

Template of Abstract for CEWQO

First Author¹, Presenting Author² and Third Author¹

¹First institution, address

²Second institution, address

Use this template to prepare your one page abstract in a pdf file. The recommended and *maximum abstract length is one page*. You can add references following standard formats [1, 2]. Figures can be included (see Fig. 1 for an example of a figure in `eps` format).

This one page abstract, if accepted, will be included in the Book of Abstracts. Furthermore a brief summary (maximum 100 words, in plain text) to be included in the Booklet is requested during the submission process. Both pdf abstract file and 100 words summary need to be uploaded in the Paper Submission web of [3].
